Please note this insurance contains restrictions regarding pre-existing medical conditions not listed under the automatically covered pre-existing medical conditions below.

You must tell **us** (to the best of **your** knowledge) about anything, which could give rise to a claim, particularly where **your** own health is concerned. In particular **we** will not cover medical problems referred to in the Health Declaration unless it was declared to **us** and accepted by **us** in writing after being screened by our online medical screening service. If at any point you are unsure please contact the Medical Screening number to speak to one of the team.

As is consistent with the treatment of all pre-existing medical conditions under the policy, the policy does not intend to cover the normal costs or losses otherwise associated with pregnancy, including, but not limited to, delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The policy does however cover **you** should complications arise with **your** pregnancy due to accidental bodily injury or unexpected illness which occurs while on **your** trip.

3. Are you awaiting the results of tests or investigations or awaiting a referral for an existing medical condition? If Yes, you need to undertake a medical screening.

Failure to contact us could leave you with no right to make a claim, and may mean that you travel with insufficient cover. If cover can be provided for your condition you will be given a medical endorsement upon receipt of payment.

Change in health

Failure to contact us could leave you with no right to make a claim, and may mean that you travel with insufficient cover. If there is any change to a pre-existing condition or if any of the reasons stated above occur between the date the certificate wording is issued and / or before the first day of your trip, you must notify the Medical Screening Service on 01223 446 949.

We will then decide if we can provide you with cover on existing terms. We might ask you to pay an additional premium, add special conditions to the policy or exclude cover for that medical condition. If we cannot provide cover, or if you do not want to pay the additional premium, you can make a cancellation claim if you have booked and paid for a trip that you have not yet made. Alternatively you can cancel your policy and we will send you a pro-rata refund.

We reserve the right not to extend the policy where the booked trip could be detrimental to your wellbeing. Failure to contact us could leave you with no right to make a claim, and might mean that you travel with insufficient cover.

Medical Conditions of a Third Party

This policy might not cover any claims under Section 1: Cancellation or Section 2: Curtailment, that result directly or indirectly from any pre-existing medical condition affecting one or more of the people listed below, who are not insured under this policy and whose pre-existing condition(s) you knew about at the time of taking out this insurance or when booking a trip and on whose health the trip depends:

- a travelling companion who is not insured under this policy;
- an immediate relative who is not travelling and is not insured under this policy;
- a close business associate; or
- a person you plan to stay with on your trip.

Subject to the terms and conditions, such claims may only be covered if their medical practitioner states that at the date you bought this policy or of booking a trip, they would have seen no substantial likelihood of their patient's condition deteriorating to such an extent that you would need to cancel your trip. If the medical practitioner is unable to confirm this, your claim cannot be covered. In the event of a claim the medical practitioner must complete the medical certificate on the claim form.

Medical Screening Endorsements

When we have agreed to provide cover following a medical screening we will issue a medical screening endorsement. This endorsement will detail the premium which you have agreed to pay to include the specified medical condition(s) for cover under this policy and the period of time the endorsement is applicable for. Please note that the medical screening endorsement issued will form part of this contract along with the policy schedule.
